41. NEIGHBOURHOOD PLANS: TO CONSIDER WHETHER THE COMMITTEE SHOULD LOOK AT THE DEVELOPMENT OF NEIGHBOURHOOD PLANS

A Councillor stated that Neighbourhood Plans were complex and lengthy to implement and required knowledge and expertise. It was suggested by a Councillor that rough quotations be sourced for a Neighbourhood Plan consultant that could provide advice on Neighbourhood Plans, if this was something the Planning Committee recommended and the Council itself adopted.

It was suggested by a Councillor that the item be deferred due to the apology submitted by Councillor Purser as he may wish to provide some further context to his report.

It was agreed amongst members that this agenda item be deferred until Councillor Purser was present.

DEFERRED

42. BUDGET PRINCIPLES - TO CONSIDER THE PLANNING COMMITTEE'S ELEMENT FOR THE 2023/24 BUDGET

A Councillor raised whether any increase would be required for the next financial year. The Assistant Town Clerk explained that no cost had been incurred in the previous financial year. A Councillor raised that if the Town Council agreed to adopt some of the principles outlined in Councillor Purser report, it could be sufficient to provide expert advice.

It was also noted that the committee may look to take expert advice on the planning issues, such as HMOs in order that the town council can present a more professional and robust case.

RECOMMENDED: That the committee ask that the amount of funding, namely £20,000 be retained for planning matters.

43. ITEMS FOR CONSIDERATION AT A FUTURE MEETING

It was raised by a Councillor that attendance to Planning Committee meetings had been dwindling recently and suggested that agenda emails provide a brief context to what would be discussed. A Councillor also suggested that a meeting be held specifically to discuss Neighbourhood Plans with Planning Committee members and could be open to other Council members. The Assistant Town Clerk explained she would discuss the matter raised with the Town Clerk upon his return.

MEETING CONCLUDED: 7:20PM
