To receive any questions or statements from members of the public
Please note that in accordance with the Council's Standing Orders a question/statement may only be asked/made if written notice has been given to the Town Clerk by midday on the working day before the meeting.

3. Declarations of Interest

4. Notice of Motion – That the Town Council consider the following motion to be proposed by Cllr Birch and seconded by Cllr Marriott

This council asks that West Northants Council reconsider their proposal to remove the two hours free parking on a Saturday, and the fee for those parking on a Sunday. With the challenges to our town centre and with the effects that the regeneration work to the Market Square and Abington Street will have, these additional charges will further impact the town centre. It is also noted that parking in the other main towns, namely Daventry, Towcester and Brackley is free of charge, which puts Northampton at a disadvantage.
