PLANNING COMMITTEE – 18TH SEPTEMBER 2024

MINUTES OF THE PLANNING COMMITTEE MEETING HELD ON 18TH SEPTEMBER 2024 AT 6PM IN THE TOWN COUNCIL'S COMMITTEE ROOM, LOCATED IN THE GUILDHALL, NORTHAMPTON

PRESENT: Councillors Connolly (Chair), Birch, Ismail and McNicholas.

OFFICER PRESENT: F Barford (Democratic Services Officer)

OTHERS PRESENT: C Stopford (Head of Private Sector Housing, West Northamptonshire Council)

22. APOLOGIES

Apologies were submitted by Councillors Haque (Vice Chair), Lane and Purser.

23. DECLARATION OF INTERESTS

No declarations of interests were made.

24. TO AUTHORISE THE CHAIR THE SIGN THE MINUTES OF THE PREVIOUS MEETING HELD ON 19TH AUGUST 2024

RESOLVED: The Chair was authorised to sign the minutes of the previous meeting held on 19th August 2024 as a true and accurate record of the proceedings.

25. TO RECEIVE A PRESENTATION FROM CHRIS STOPFORD, HEAD OF PRIVATE SECOTOR HOUSING AT WEST NORTHAMPTONSHIRE COUNCIL ON THE HMO ADDITIONAL LICENSING POLICY

C Stopford was welcomed to the Planning Committee meeting and provided the following presentation on West Northamptonshire Council's HMO additional licensing policy:

- It was explained the additional licensing scheme would require HMOs that provide accommodation for 3-4 people from two or more households which share facilities, would require licensing.
- The current scheme was introduced in Northampton in January 2020 and would cease on 31st January 2025.
- It was highlighted the additional licensing scheme was separate to any 'Article 4' controls under the Town and Country planning act.
- Currently, mandatory licensing was required for HMOs that provide accommodation for 5 or more people.
- The current area covered by the additional HMO licensing scheme that ceases in January 2025 mainly encapsulated the former Northampton Borough Council area. The proposed additional licensing of HMO scheme would expand north to cover Moulton and West to cover Duston and Daventry where there has been a growth in HMOs.
- Currently there was 1,400 registered HMOs in West Northamptonshire.
- In response to a question, it was explained on average 70 complaints were received by the Private Sector Housing team in relation to HMO properties.
- In response to a question, it was explained complaints received were thoroughly investigated and any breaches could result in financial penalties or court action.

- As part of the additional licensing scheme landlords were required to provide effective condition in order for a license to be granted such as, gas & electrical testing, information on waste presentation. He added, the Private Sector Housing team had powers to implement additional conditions on the management of and the property itself.
- In response to a question, the Private Sector Housing team do not have any controls over HMOs outside of the current HMO licensing policy boundary areas.
- It was explained the Private Sector Housing team engage with landlords at the bi-yearly Landlord Forum meeting to discuss any new legislation and concerns.
- In response to a question, it was explained that within a HMO, a kitchen typically includes one fridge, one sink, one oven with four rings, and one cupboard per occupant. Therefore, a single kitchen can accommodate more than five occupants, but it would need to have two ovens and two fridges to ensure adequate facilities. In an HMO with more than 10 occupants, an additional kitchen space would be required. He added, there was no requirement for a washing machine.
- In response to a question regarding the redevelopment of cellars into bedrooms, it was explained that any bedroom in a cellar requires building control approval. The room must have natural light equivalent to 20% of the floor area, ventilation covering 15% of the floor area, and a means of escape that does not pass through a kitchen.
- It was explained that the redevelopment of a property into an HMO is not covered by permitted development rights, and therefore, planning applications must be submitted for approval. Generally, it is cheaper to apply for planning permission than for an HMO license. Some people believe that if planning permission is granted, an HMO license will automatically be granted however, this is not the case.
- In response to a question, it was explained properties were inspected prior to the granting of any HMO license and then inspected during the license term however, if there was cause for it then properties can be inspected for frequently.
- In response to another question, it was explained HMO licenses were required to be displayed within the property and this features support numbers if there were to be any issues.
- It was highlighted, if planning permission was submitted for works to a property, then a HMO license cannot be granted until all works were completed and up to standard.

C Stopford was thanked for attending and left the meeting.

26. TO FORMULATE RESPONSE TO THE DEPARTMENT OF HOUSING, LEVELLING UP AND COMMUNITIES' CONSULTATION ON THE PROPOSED NATIONAL PLANNING POLICY FRAMEWORK REFORM

As Councillor Purser was not in attendance too provide a report on the DLHUC's proposed National Planning Policy Framework reform. It was proposed that Councillors review the framework and respond to the consultation individually.

RESOLVED: It was agreed that Councillors would review and respond individually to DLHUC's proposed National Planning Policy Framework reform consultation.
