9. TOWN CLERK UPDATE ON PLANNING CONSULTANTS

The Town Clerk explained he had consulted James Wilson Associates, who had been recommended by Daventry Town Council. The Town Clerk continued to state the Planning Consultant at James Wilson Associates advised there would not be much mileage in pursuing an HMO Policy without it linked within a Neighbourhood Plan or Local Plan however, he would be happy to discuss what services they could provide with members. The Town Clerk added James Wilson Associates would not be interested in leading the Neighbourhood Process however, he would be happy to provide an advice service and draft response for planning applications.

A Councillor stated it would be beneficial to have a discussion with a Planning Consultant from James Wilson and Associates to gain a greater understanding on the work they could complete.

ACTION: To invite a Planning Consultant from James Wilson Associate to address the Planning Committee a following meeting.
